

MUSIC PERFORMANCE GRADES

PERCUSSION

Syllabus (Section 3)

second edition - valid for exams from 6 September 2021

This syllabus is specific to Percussion and is part of the main *Qualification Specification: Music Performance Grades*. The remainder of that specification provides other relevant information for those preparing for Performance Grades exams and applies to all subjects (instruments). It can be found at www.abrsm.org/performance-grades and should be read when preparing for an exam.

/// Changes in this edition

This second edition, first published July 2021, includes several significant changes and updates to the exam requirements and information. There are no changes to the repertoire lists.

- We have provided additional guidance for the performance as a whole component of the exam
- We have altered the minimum number of Timpani drums required for the own-choice piece at Grades 7 and 8
- We have made a change to the own-choice piece requirements to allow unpublished repertoire, including candidates' own compositions
- We have changed our policy on the use of the same piece(s) in more than one exam; this is now allowed
- We have introduced a new Adapted Instruments policy; instruments adapted for beginners can be used in exams at any grade, as long as all the exam requirements can be met.

A range of updates have also been made to the text to further clarify the existing requirements and information, based on queries and feedback received since the Performance Grades qualification was launched in summer 2020.

The overarching *Qualification Specification: Music Performance Grades* document, which has other important and relevant information for those preparing for Performance Grades, has also been significantly updated.

This August 2022 version has been issued to reflect changes to accompaniment requirements; we now permit recorded accompaniment in Performance Grade exams [Section 3]

From 8 March 2023, Performance Grade candidates should provide their programme information online when uploading their video. It is no longer necessary to show a written programme form to camera. All other recording requirements remain the same [Section 3: *Preparing for the Exam*]

3. Percussion Performance Grades syllabus

Introducing the qualification

Performance Grades, introduced by ABRSM in 2020, run alongside and provide an alternative pathway to our long-standing Practical Grades. They allow learners to focus on and showcase their performance skills if that is their preference. The suite of qualifications has been designed to allow learners to play to their strengths and interests and still have their level of achievement formally recognised with a regulated qualification that attracts UCAS points (in the UK) at Grades 6 to 8. Performance Grades are accessible exams given their sole focus on performance, without the assessment of any supporting tests. Instead they encourage the selection of appropriate repertoire to be delivered in a sustained performance, even at the earliest levels.

Musicians learn to play an instrument to explore and perform repertoire, which is why pieces, and the way they can be combined to create a convincing and sustained performance, are the focus of the exam. For Performance Grades, candidates are asked to present four pieces at each grade.

ABRSM Performance Grades draw on the same repertoire set for our Practical Grades. This syllabus repertoire is organised into lists, which explore different traditions and styles, dating from the Renaissance period to the present day. Choosing repertoire from different lists gives candidates the opportunity to perform a balanced selection and demonstrate a range of skills.

Since Performance Grades focus on performance alone, the choice of repertoire is important, and attention should be given to the way pieces are contrasted, the order in which they are presented, and the different moods and characters they inhabit. This will enable candidates to demonstrate their ability to deliver a coherent and convincing performance event, not just a series of individual pieces. Credit for this is given through the performance as a whole assessment criteria that are applied.

Performance Grades: requirements and information

The syllabus repertoire is valid until further notice.

This section provides a summary of the most important points that teachers and candidates need to know when taking ABRSM Performance Grades for Percussion. Further details, as well as administrative information about the exams, are given in ABRSM's Exam Regulations (available at www.abrsm.org/examregulations) which should be read before booking an exam.

Instruments

Candidates are required to perform on acoustic instruments (digital instruments are not allowed). Examiners apply the marking criteria (which include the assessment of pitch, tone, and musical shaping) to assess musical outcomes without reference to the specific attributes of the instrument.

ABRSM welcomes the use of instruments adapted for younger/smaller beginners in our graded exams in accordance with the details set out in our Adapted Instruments Policy, available at www.abrsm.org/policies.

Sticks/mallets: Candidates are expected to use the correct sticks and mallets for the instruments they have chosen to play. Tuned Percussion pieces that require four mallets are shown by **4M** in the repertoire lists.

Range information: In this document, range/pitch information is presented using the Helmholtz system, i.e.:

Snare Drum

Instruments: In Snare Drum exams at Grades 1 to 5, it is possible for candidates to complete an exam playing a snare drum only. In Snare Drum exams at Grades 6 to 8, candidates should play at least one piece for multi-percussion.

In Percussion (Combined) exams at all grades, it is possible for candidates to complete the Snare Drum element playing a snare drum only.

All pieces should be played with the snares on unless marked otherwise in the music.

Multi-percussion: There are pieces for multi-percussion included in the repertoire lists for Snare Drum from Grade 3. These are marked **MULTI** in the repertoire lists, where details of the instruments required in addition to the snare drum are also shown.

Timpani

Number of drums: The minimum number of drums required depends on whether the candidate is taking a Timpani exam or a Percussion (Combined) exam. The table below shows the minimum number of drums required for each option.

	Timpani exam	Percussion (Combined) exam (min. 1 piece from lists)
Grades 1 to 4	2	2
Grade 5	2 or 3*	2
Grade 6	3	3
Grade 7	4	3
Grade 8	4	4

Some pieces from Grade 4 require more drums than indicated above (the maximum number is three drums at Grades 4 and 5 and four drums at Grades 6 to 8). Pieces that need three or four drums are shown in the repertoire lists by **3D** and **4D**, respectively.

Types of drums: Hand- or pedal-tuned drums may be used. However, hand-tuned drums are only appropriate if retuning does not interrupt the musical flow of a piece. Pieces that require a retune are indicated in the repertoire lists by **RETUNE** and those that require at least one pedal drum by **PED**.

* While it is possible to take the Grade 5 Timpani exam using only two drums, the choice of repertoire is limited.

Damping: At Grades 1 and 2, all rests of crotchet value or longer should be damped. From Grade 3, all quaver rests should also be damped. From Grade 4, rests should be damped whenever feasible, and from Grade 5, candidates should also damp with regard to the harmonic considerations of the piece.

Sticking: Any combination of sticking is allowed, e.g. leading with either hand, double strokes, swinging over, crossing over, etc.

Tuning: Tuning should be completed before the exam recording is started. Once the performance of the programme has begun, the candidate is responsible for any tuning adjustments that may be needed (all grades). Timpanists should provide their own fixed-pitch sources, and these may only be used before the beginning of each piece.

At Grades 1 and 2, all Timpani pieces from the repertoire lists may be played on A and D (or any interval of a perfect 4th) regardless of their written pitches. Own-choice pieces at these grades may also be played on any pitches, to reduce the need for retuning, as long as the original interval(s) between the drums is not altered. Any accompaniments should be transposed appropriately. From Grade 3, all music should be played as written.

Tuned Percussion

Instruments: Any one or more of the following instruments may be used in exams:

- xylophone
- marimba
- vibraphone
- glockenspiel (Grades 1 and 2 only)

Pieces: At Grades 1 to 5, candidates may play any piece on any instrument listed above. At Grades 6 to 8, candidates should play the pieces on the instrument (or one of the instruments) specified in the repertoire lists – **XYL** xylophone, **MAR** marimba, **VIB** vibraphone. For own-choice pieces at Grades 6 to 8, the instrument intended by the composer should be used (if indicated in the score/publication).

Candidates should not alter a piece at any grade to suit the range of an instrument (unless indicated in the music).

Percussion (Combined)

Candidates taking a Percussion (Combined) exam are required to:

- play one piece for each of Snare Drum, Timpani and Tuned Percussion
- play a fourth piece which can be for Snare Drum, Timpani or Tuned Percussion, at their choice

See further programming requirements within the 'Selecting repertoire' section on pages 5–8.

Performance as a whole

Performance skills are at the heart of Performance Grades, and go beyond the preparation of individual pieces. Designing programmes that play to learners' strengths as performers, and then delivering them with a real sense of musical intent and communication, is central to musical development. This also builds stamina, and embeds the technical control required to play a whole programme through, including managing the transitions from one piece to another. Finding ways to put across the mood and character, and really get inside the style of different types of repertoire, as well as arranging pieces into coherent and compelling programmes will in turn increase learners' knowledge and understanding of music more broadly.

For full details of how the performance as a whole component of the exam is assessed, see Section 4 of the *Qualification Specification: Music Performance Grades*.

Selecting repertoire

Number of pieces: For Snare Drum, Timpani & Tuned Percussion exams, candidates present four pieces in one continuous performance (without a break). They choose three pieces from the repertoire list for that subject, including at least one piece marked ☆ in the repertoire list at certain grades (see table below). The fourth piece can be from the repertoire list or a piece of the candidate's choice. The pieces can be performed in any order. See further programming requirements within this 'Selecting repertoire' section before finalising choices.

For Percussion (Combined) exams, candidates present four pieces in one continuous performance (without a break). They choose at least one piece from each of the three lists (A – Snare Drum, B – Timpani and C – Tuned Percussion), including at least one piece marked ☆ in the repertoire lists at Grades 1 to 3 (see table below). The fourth piece can be from the repertoire lists or a piece of the candidate's choice and can be for Snare Drum, Timpani or Tuned Percussion. The pieces can be performed in any order. See further programming requirements within this 'Selecting repertoire' section before finalising choices.

Subject	Grades	Types of pieces required (minimum of 1)	Marked in syllabus
Snare Drum	Grades 1 to 3	accompanied (by piano or percussion)	☆ and 🎯 or ☉
	Grades 6 to 8	for multi-percussion	☆ and MULTI
Timpani	Grades 1 to 3	accompanied (by piano or percussion)	☆ and 🎯 or ☉
	Grades 6 to 8	requires retuning	☆ and RETUNE
Tuned Percussion	Grades 1 to 3	accompanied (by piano or percussion)	☆ and 🎯 or ☉
	Grade 8	requires 4 mallets	☆ and 4M
Percussion (Combined)	Grades 1 to 3	accompanied (by piano or percussion)	☆ and 🎯 or ☉

Candidates may perform two, three or four pieces marked ☆, if they wish.

Own-choice piece: The following options and restrictions apply to the own-choice piece selection:

- The piece should be broadly the same standard, or above, as repertoire set for the grade being taken (prior approval from ABRSM cannot be given).
- The piece may be chosen from any of the repertoire lists set for the grade, as long as all other requirements within this ‘Selecting repertoire’ section are also met, including the minimum duration. Performing all four pieces from the lists gives no advantage.
- The piece may be a candidate’s own composition or arrangement (see ‘Own composition’).
- The piece must exist in a legible and fully-notated score using standard music notation (e.g. not in tab, not a lead sheet if candidate is playing a harmonic instrument etc.) and must be performed as notated in that score.

In cases where there is a concern about the standard of an own-choice piece presented, ABRSM reserves the right to request a copy from the Applicant where we cannot readily access one ourselves. This may delay the issuing of the exam result.

- At Grades 6 to 8, the piece may be performed on a related instrument (see ‘Related instrument option’).
- The piece for Timpani must be for a minimum number of drums as follows:

Subject	Grades 1 to 5	Grades 6 to 8
Timpani	2	3
Percussion (Combined)	2	3

- The piece must not last less than the following timings for each grade (unless the overall programme time would be exceeded; see ‘Programme times’):

	Grade							
	1	2	3	4	5	6	7	8
Minimum duration (mm:ss)	00:25	00:30	00:35	00:45	01:00	01:30	02:00	03:00

The duration for each grade is the minimum time required in order to demonstrate the breadth and depth of skills required, including stamina.

The other programming requirements described in this ‘Selecting repertoire’ section must also be met.

Programme times: The overall performance, including transitions between pieces, should not exceed the maximum programme time set for the grade, as shown in the following table. The programme time is the duration from the first note of the performance to the last. The examiner may stop listening to the recording if the candidate’s performance goes over the maximum programme time.

	Grade							
	1	2	3	4	5	6	7	8
Maximum programme time (minutes)	6	7	8	10	12	15	20	25

Accompaniment: A piano or percussion (where the option is listed) accompaniment is required for all pieces marked with **!!!** or **⊕** in the syllabus.

At Grades 1 to 3, candidates must perform at least one piece from the repertoire lists with accompaniment (piano or percussion). There is no accompaniment requirement at Grades 4 to 8. There is no upper limit to the number of accompanied pieces that can be performed at any grade.

Pieces on the repertoire lists that are published as duets (or with percussion accompaniment only) are marked **⊕**; candidates play the upper part. Pieces on the repertoire lists that are published with piano and percussion accompaniment options are marked **!!!** or **⊕**, and may be performed with either accompaniment. Details of the percussion instruments that are required to accompany each piece are also given in the repertoire lists.

Candidates provide their own accompaniment, which may be live or recorded. An accompanist may be the candidate's teacher. If necessary, an accompanist may simplify any part of the accompaniment, as long as the result is musical. Recorded accompaniments may be commercially-available tracks or recordings made specifically for the candidate's exam. Full guidance on the use of recorded accompaniments in exams is available at www.abrsm.org/performancegrades.

Pieces accompanied by percussion should be played on a separate instrument from the candidate's.

Composers: Up to two pieces by the same composer may be performed. Where two or more pieces/movements by a composer are required by the syllabus (i.e. under one list number and indicated with an 'and'), these are considered as one 'piece'.

Own composition: ABRSM welcomes the inclusion of candidates' own compositions, or arrangements, to be performed as their own-choice piece. We will not judge or provide feedback on the structure or quality of the composition, only the performance of it. However, as with any other own-choice piece, the technical demand of the composition must be broadly the same as repertoire set for the grade being taken.

Repertoire lists: Every effort has been made to feature a broad range of repertoire to suit and appeal to candidates of different ages, backgrounds and interests. Certain pieces may not be suitable for every candidate for technical reasons or because of wider context (historical, cultural, subject matter, etc.). Pieces should be considered carefully for their appropriateness to each individual, which may need consultation between teachers and parents/carers. Teachers and parents/carers should also exercise caution when allowing younger candidates to research pieces online: www.nspcc.org.uk/onlinesafety.

The repertoire lists are the same as for ABRSM Practical Grades. Candidates intending on taking both qualifications at the same grade may find their musical development benefits from preparing different pieces for each.

Exam music & editions: Wherever the syllabus includes an arrangement or transcription (appearing as 'arr.' or 'trans.' in the repertoire lists), the edition listed in the syllabus must be used. For all other pieces, editions are listed for guidance only and candidates may use any edition of their choice. This includes editions that are downloaded. Information on sourcing exam music is given on page 9.

Repeats: In most cases, da capo and dal segno indications must be followed but other repeats may be included, or not, at candidates' discretion (in order to achieve a musically satisfying performance). If the syllabus specifies that a repeat should be included, this instruction must be followed. If the syllabus indicates that a da capo/dal segno should be omitted, candidates have the

option to include or not. The maximum programme time should also be taken into consideration when deciding whether to include repeats (see 'Programme times').

Cadenzas & tuttis: Unless the syllabus specifies differently, the inclusion of cadenzas, and/or orchestral tuttis in full, is left to candidates' discretion in order to achieve a stylistically appropriate and musically satisfying performance. The maximum programme time should also be taken into consideration when deciding whether to include cadenzas or tuttis (see 'Programme times').

Related instrument option: At Grades 6 to 8, Snare Drum, Timpani and Tuned Percussion candidates may choose to play their own-choice piece on a related instrument. The related instruments accepted are shown in the following table. No extra marks are awarded for playing a related instrument.

Main instrument	Related instrument(s)
Snare Drum	Timpani, Xylophone, Marimba, Vibraphone
Timpani	Snare Drum, Xylophone, Marimba, Vibraphone
Tuned Percussion	Snare Drum, Timpani

Preparing for the exam

Programme form & pre-performance procedures: Candidates should provide their programme information online when uploading their video. The piece information required should be given in the order the pieces will be performed.

Candidates should show the opening of their own-choice piece and announce themselves and their pieces before beginning their performance. Candidates taking a Grade 6, 7 or 8 must additionally show a form of photographic identification to the camera. This is because these qualifications can be used either as a prerequisite for higher grades and diplomas, or as part of a university application.

If preferred, a Responsible Adult present may show the music to camera (but not the ID, where applicable) and make the introductory announcement, as this does not form part of the performance. The assessment of the performance begins on the first note of music played.

More information on all of the above is given in the Guidance for Music Performance Grades available at www.abrsm.org/performancegrades.

Interpreting the score: Printed editorial suggestions such as sticking, metronome marks, etc. do not need to be strictly observed. Whether the piece contains musical indications or not, candidates are encouraged to interpret the score in a musical and stylistic way. For pieces in a jazz style, candidates may add slight embellishment, as stylistically appropriate, but not include extensive improvisation. Examiners' marking will be determined by how candidates' decisions contribute to the musical outcome of each individual piece and to the performance as a whole.

Performing from memory: There is no requirement to perform from memory although candidates are encouraged to do so, if they believe it will enhance their performance. No extra marks are directly awarded for performing from memory.

Ossias: Where an ossia (alternative musical line or note) occurs in the music, candidates may choose either option unless the repertoire list specifies differently.

Page-turns: Candidates need to manage any page-turns appropriately to avoid any adverse effect on the performance as a whole, which examiners will be assessing. Candidates (and accompanists) may use an extra copy of the music or a photocopy of a section of the piece (but see 'Copyright') to help with page-turns. They may also use a page-turner (prior permission is not required; the turner may be the teacher).

Copyright: Performing from unauthorised photocopies (or other kinds of copies) or illegal downloads of copyright music is not allowed. In the UK, copies may be used in certain limited circumstances – for full details, see the MPA's *Code of Fair Practice* at www.mpaonline.org.uk/mpa-guidelines. In all other cases, application should be made to the copyright holder before any copy is made. Care should also be taken when making arrangements, as permission will be required in the case of copyright music.

Candidates and Applicants are expected to act within the law with regard to copyright. ABRSM may withhold the exam result where we have evidence that this is not the case.

Sourcing exam music: Exam music is available from music retailers and online, including at the ABRSM music shop: www.abrsm.org/shop. Every effort has been made to make sure that the publications listed will be available for the duration of the syllabus. We advise candidates to get their music well before the exam in case items are not kept in stock by retailers. Non-exam related questions about the music (e.g. editorial, availability) should be addressed to the relevant publisher: contact details are listed at www.abrsm.org/publishers.
